Weems & Plath Introduces the Professional Brass Pencil Compass

This large solid brass compass is perfect for the professional navigator using large charts. Because of its length, with adjustable pencil mount and angled stainless steel point, it can draw a 24" circle. The compass was designed by Weems & Plath and made in Germany by a company well-known for its precision instruments. The compass comes with a pencil, a sharpener and a plastic pouch for safe storage. It has a lifetime warranty.

Item #1049, Professional Brass Pencil Compass has a Suggested Retail Price of \$39.00

Dimensions: 8-1/4" x 1-1/4"

Weight: .32lbs.
