White Dial Item #2006W

Weems & Plath Introduces the Weems Navigator Watch

The Weems Navigator Watch is styled after the famous Weems Second Setting Watch designed by Captain Philip Van Horn Weems in 1936 and used by famous aviators including Charles Lindbergh and the U.S. Army Air Forces during World War II. This Swiss-made watch has a rotating bezel which can be set as a visual reminder to monitor elapsed time. The dial and hands are fitted with tritium micro gas lighting (GTLS) a technology formerly only found in professional dive watches. **List price - \$295.00USD**

Features:

- Accurate Swiss-made quartz movement
- Gaseous Tritium Light Source (GTLS) illumines every hour marker and all three hands. The illumination lasts for 25 years and does not require charging.
- Water resistant to a depth of 330' with stainless steel back
- Mineral glass crystal face, scratch and shatter resistant
- Bi-directional bezel rotates to align guide marker with second or minute hands to monitor elapsed time
- Date window showing day of the month
- Easy to identify red second hand
- Black or white 24 hour dial
- Two watch bands
 - Water resistant black Italian calf skin
 - Waterproof black rubber sport band
- Warranty – 2 years
- Individually numbered
- Limited production, available through selected distributors
- Gift-boxed
- Dimensions: 42mm diameter; 1.6 inches diameter
