Exciting New Addition to Weems & Plath Sales Force

FOR IMMEDIATE RELEASE- July 13, 2010: Weems & Plath is pleased to announce the promotion of Patricia Darnell to the Sales Department as a Territory Manager. Patricia will be responsible for overseeing and cultivating hundreds of accounts in the Northeast region of the United States, the Caribbean and part of Canada. Patricia has been with Weems & Plath for over 20 years in the Accounting Department. Her many years with the Company lend her an extremely comprehensive knowledge of both product lines ([Weems & Plath](#)* and [Conant Custom Brass](#)**). Patricia has a true interest in what she sells. In her free time, she enjoys spending time out on the water on her boat and tending to her garden. “With over 20 years of experience at W&P, Patricia has developed many important skills which will greatly benefit our customers. I am confident she will continue to build her customer base in the years ahead.” –President Peter Trogon.

*[Weems & Plath](#), Manufacturer of Fine Nautical Instruments since 1928, is located in Annapolis, Maryland and is well known for the manufacturing of quality navigation tools and fine nautical instruments throughout the world.

**In 2008, Weems and Plath acquired [Conant Custom Brass](#), an outdoor weather instrument company that manufactures classic pieces for the home and garden.
